KS2 Path

Work will commence this Monday to re tarmac the path alongside the KS2 field. This path has eroded in several places and is in need of repair. We were unable to secure the work for the holidays and therefore it will be completed next week. The path will be fenced off and parents will need to walk along the field. Mr Walls' and Mrs Winfield's classroom door will be inaccessible and the children will need to enter through Mrs Bonser/Bennison's door. The children will also be dismissed from the same door. Thank you for your co-operation with this matter.
