Our Christian value for this term is: Community

Please remember that next Wednesday afternoon is a chance for parents to come in and see your child in their new class. This is between 1:15 and 3:20 pm. Class lists will be sent home on Monday. May I please remind parents that the setting the classes is a complex process which is done by the staff based on every child's needs. The Class Setting Policy was sent home on Monday.

Choir at St. Peter's Summer Fair

The choir sang 6 songs at the church Summer Fair on Saturday and they were a credit to the school. Thank you to the children for practising the songs, the parents for taking them to church and to Mrs Wormsley for leading the choir.

The lockdown practice on Tuesday was conducted in an exemplary manner by both Key Stages. The children were very sensible and understood what they needed to do. This is an important part of the school's emergency plan.

Year 4 visit to Veolia

Last week Year 4 enjoyed visiting the Veolia Materials Recovery Facility in Mansfield to see what happens to our recycling after it's thrown away. The children were really interested in seeing the incredible machinery in action and all learned lots of tips to put into action to help our environment!

Neighbourhood Watch—Year 5

The children had a visit from the Neighbourhood Watch and learnt all about how to keep themselves safe. They discussed stranger danger and what action they could take if they were approached by strangers and they did not feel safe, how to look after their property and what security measures they can take as well as the role of the Neighbourhood Watch and how they help the local community. The children were fabulously behaved and Mrs Harris was very impressed with them all.
